

Independent Local Radio (FM and AM)

All stations broadcast 24 hours, except where stated otherwise.

Stations owned by the same broadcaster often share overnight, and sometimes evening and weekend, programming.

Stations will often put separate adverts, and sometimes news and information, on different transmitters carrying the same programmes

Many stations broadcast different formats from that listed for a few hours a week in the evenings and weekend afternoons.

Stations are divided into the following regions:

London	North East England
South East England	South and Central Scotland
South West England and Wales	Northern Scotland
Eastern England	Northern Ireland
Central England and Wales	Isle of Man
North West England and Wales	

Access radio stations are not shown on the maps. AM station powers are 1W, FM station powers 50 mW. Coverage radii ~ 5 km. Sports stations broadcast up to 28 days per year.
